Saturday 8:00am - 3:00pm  
Phone: 336-434-0267

Randolph County Public Works mission is to protect our environment by providing this Convenient disposal facility to manage and handle the solid waste and recyclables for the county.

Disposal is Free  
Randolph County citizens only.  
Max of (10) - 60 Gallon bags  
Maximum of (2) bulk items per day  
Will accept Passenger tires (**5 per day, NO RIM**)  
Cooking Oil, Motor Oil, Anti-Freeze (**5 Gal LIMIT PER DAY**)

### Not Accepted

**Yard Waste, Metal, Electronics, Appliances, & Construction Waste.**

The Randolph County solid waste facility accepts tires, metal, electronics, & appliances. This site is located at 1254 County Land Rd, Randleman, NC.

*City of Trinity's garbage service only takes items that fit in the trash can. Many of these items can now go to the Convenience Site.*

### GRASS GROWING SEASON IS FAST APPROACHING:

Please be aware the City of Trinity has an ordinance regarding **TALL GRASS:**

#### CHAPTER 91: GENERAL PUBLIC NUISANCES.

Any weeds or other noxious vegetation having an overall height of more than 18 inches above the surrounding ground provided that the following shall not be considered to be part of this condition: trees and ornamental shrubs; cultured plants; natural vegetation on undeveloped property that is not a threat to the character of surrounding properties. Contact City Hall at 336-431-2841 to report a violation of this ordinance

**Please keep your grass out of the road. It can be a hazard to passing motorists.**

## Building an Accessory Building?

### Setbacks:

Front: 10' behind front plane of house  
Side: 10' from property line  
Rear: 5' from property line

### ATTENTION ALL PROPERTY OWNERS CONNECTED TO CITY SEWER

DO NOT DUMP COOKING OILS OR GREASE DOWN YOUR SINK DRAIN OR TOILET!

#### Fats, Oils and Grease (FOG) Ordinance Background:

Sanitary sewer overflows are a serious environmental problem and a violation of the Clean Water Act. A large percentage of sewer overflows and backups are caused by misuse of the collection system by the public. **Fats, Oils and Grease (FOG)** can solidify in the pipe and cause sewer backups. The Federal Government through the State of North Carolina is requiring utilities to meet minimum operation standards through a permit process. The Collection System Permit requires a FOG Ordinance to address this problem. Operating at or above this minimum standard provides some protection from fines and liability for property damage.

### NEW TRASH CAN POLICY

Only one trash totter each trash collection pick-up. It doesn't matter which color of trash totter you use.

### Overflow trash pick-up day schedule

April 5th  
April 19th  
May 3rd  
May 17th

July 12th  
July 26th  
August 9th  
August 23rd  
Sept. 6th  
Sept. 20th  
Oct. 4th  
Oct. 18th  
Nov. 1st  
Nov. 15th  
Nov. 29th  
Dec. 13th  
Dec. 27th

**Report an Illicit Discharge:** See someone, group, or company dumping pollutants or trash into Trinity's stormwater. Please contact City of Trinity on our website at <https://www.trinity-nc.gov/> or you can call at 336-431-2841. We will need to know location, time of discharge, and what is being dumped. Thank you for keeping City of Trinity's stormwater clean.

### WHAT IS A RAIN GARDEN?

A rain garden is a depressed area in the yard that collects rain water from the roof, driveway, or other impervious areas in your yard. City of Trinity is limited to 24% impervious area in your property before water must be treated. For many properties, this may be the solution to adding more impervious area (pool area, addition to home, storage, etc....) to your property.

### City of Trinity

#### Jacob Carroll Pick-Up
